The Dandelion Festival is brought to you by volunteers in Waterloo Region who welcome diversity in their yards. Our deepest gratitude goes to our volunteers, performers, presenters, earth-friendly exhibitors, sponsors and supporters. At the time of printing this includes A. Dagg, William Pensaert Mathematics Coach 884-3982, dbc SMARTsoftware inc., Growing UP in the Grand River Region, Waterloo Citizens Environmental Advisory Committee and everyone out there who refuses to use chemical pesticides and fertilizers on their lawns and gardens.
